

After sold-out screenings in New York and L.A.,
Karl Rove & Dan Butler are bringing their love to
The Rhode Island International Film Festival!

"A weird love letter to the most evil political figure of our time."
- Ed Gonzalez,
The Village Voice

*"**** (Four stars)
Conceptually original
and hysterically funny."*
- Nick Reed, Movie Habit

*"Drolly mocks liberal
Hollywood insularity at
least as much as it mocks
right-wing D.C."*
- Dennis Harvey, Variety

*"Hilarious and unsettling ...
A political Blair Witch Project."*
- Jim David, The Huffington Post

what if
the role of a
lifetime...
...became
the **love**
of
your life?
